

Turret Engineering Pty Ltd

ABN 92 636 457 317

16/04/2024

Procurement & Supply Chain

To Whom It May Concern

Ref: Turret supply

This is to confirm that:

Turret™ is an invention & globally patented product of our company.

- We hereby authorize the following organisation to undertake re-selling of our products for the upcoming requirement for Projects in 2024 in consultation with us.
- Our products have standard 12 months warranty.
- There are no moving parts in the Turret. Our clients have been using Turrets for over 4 – 5 years without replacing any parts.
- We can offer spare screens should you require any spares.
